

Russia's Demino Ski Marathon

Join us in 2021 for five days starting on March 3rd
Your guide and trusted leader for this amazing trip will be Natascia Leonardi

The Russian Demino Marathon is one of the Worldloppet circuit since 2013. Worldloppetets are the most popular and amazing cross-country ski courses throughout the world.

Demino is a small town located 360 kilometers to the north of Moscow. The Volga River runs by it. The neighboring city, just 18 kilometers away, is Rybinsk. In that town, there is a ski stadium where there have already been numerous international competitive races.

Demino's marathon—50 kilometers of pure skate skiing—celebrated its eight birthday in 2013 with more than 2500 participants. If you are a hearty sole who loves classic skiing, you might want to stay over for the next day's 25-kilometer classic race. In any event, what is obvious to all is that these events, coupled with Russian hospitality, are going to be professionally run and successful.

Who Is Natascia?

Your guide is Natascia Leonardi-Cortesi. Besides speaking Russian, she has represented Switzerland more than 20 times in World Cup racing. She won a bronze medal at the Olympic Games in Salt Lake City. She has won the ski marathon of Engadine (St. Moritz) four times. She won the Transjurassienne in 2011 and she knows Demino—she has been on the podium two times. You couldn't be in better hands.

Where Are You Going to Stay?

You will be lodged in the Sport Hotel or in a cabin, which is right alongside the stadium from which you leave and where you will end your challenging race. Look forward to modern rooms, all of which have a bathroom with shower and toilet.

For breakfast and dinner, you only have to walk 200 meters to the next restaurant, "the Pristan". Your dinners are "all you can eat"—and you will want to eat a lot.

Day by Day Program:

Wednesday, March 3rd, 2021

Wherever you are coming from, whether it is London, Milan or Zurich, you will fly into Moscow. The hotel for your first night is located directly at the Moscow airport. In the evening, there will be a short meeting during which you'll be given all the information you need about the next few days' activities. Finally, everyone will have dinner. (N.B. This dinner is not included in your package deal.)

Thursday, March 4, 2021

We will have a bus waiting for you after the breakfast. While not a short ride (6 hours), there is a variety of scenery that you will watch as you go in the direction of Demino/Rybinsk. Dinner will be in the "Pristan Restaurant".

Friday, March 5, 2021

You will take breakfast at the "Pristan" next to the hotel. You will be free to do what is right for you, such as training on the course, making sure you get your race packet that contains your numbered bib, and of course waxing your skis. You may want to visit Rybinsk on Friday night because you will be part of a "Pasta Party," all-you-can-eat, and then some. And finally, Nascia will give you last-minute information on Saturday's course.

Saturday, March 6, 2021

You will eat a big breakfast at the "Pristan" and then you will race. Just 50 kilometers, after which the celebration begins. There will be lots to do around the stadium. Dinner will be in the "Pristan Restaurant".

Sunday, March 7, 2021

Breakfast again at the "Pristan" and for those who have it in them, the 25-kilometer classic race will take place in the morning. In the afternoon you can rest or visit the City of Rubinks. Dinner in the "Pristan".

Monday, March 8, 2021

You will leave during this day to go back from Demino to your city of origin. Or, if you are interested in spending a day or two to visit Moscow, we can arrange that.
