

46th Toblach-Cortina, Two Great Races in the Heart of the Dolomite Mountain Range, Both on the Legendary Course from the Tour de Ski

February 4th and 5th 2023

The Toblach and Cortina D'Ampezzo regions in the Italian Dolomites mountain range have been designated as part of I'UNESCO's world heritage. These two places are what cross country skiers dream about.

The weekend of the **4th and 5th of February 2023** is reserved for those who want to make sure that they participate in the legendary course along the old train tracks that have been used by the Tour de Ski. These go between Cortina d'Ampezzo and Toblach. On Saturday, February 4th, there is a 42-kilometer classic race. On Sunday February 5th, there is a skating (freestyle) race that lasts 32 kilometers. This is a unique occasion, allowing you to glide along a mythical course. Of course there will be thousands of spectators along the route all the way to Cortina d'Ampezzo Village on Saturday and to the Nordic Center in Toblach on Sunday. We guarantee that you will never forget this experience!

And, as a little extra frosting on the cake, you will be able to discover the superb countryside, including the famous "Dreizinnen" and their panoramic views. It doesn't matter whether you choose the Saturday classic race or the Sunday skating race; you will never regret the experience.

The Program for the Race between Toblach – Cortina

Thursday, February 2, 2023

You will arrange your individual travel to Toblach. Once there you will be able to settle down in your hotel room and, of course, there is dinner.

Friday, February 3, 2023

A hearty breakfast and then a free day for whatever you want to do. You can work on your skis, try out your equipment, but you must go to the registration site in the "Grand Hotel", which you will find at the beginning of Toblach. There you will find where you can pick up your race bibs. Actually, you will only have to walk a little ways because your hotel is very close to the stadium and the Grand Hotel. Rest is in order for the remainder of the day. You can take a sauna now if you want. Dinner.

Saturday, February 4, 2023, the 42-km Classic Race

A hearty breakfast again. The start of the race is at 10 a.m. The 42-km classic race starts with a 10-km circle around Toblach before it takes the direction of "Cimabanche" in order to arrive at the center of Cortina d'Ampezzo.

This course is perhaps one of the most beautiful in all of southern Europe. The ambiance is magical, going through tunnels and hills at about a 3 percent grade through the first 15 km. Then for the next 15 km there is a 3 percent grade downhill with a spectacular arrival in the center of a pedestrian-only street; a spectacle that will leave no one indifferent.

Sunday, February 5, 2023, the 32-km Freestyle (Skating) Race

A hearty breakfast again. Note, though, that you have to pack everything from your room before you leave for the race. Don't despair, though, you will be able to use the Wellness Center after the race to lie down and rest before your trip home. The start is the Toblach stadium, which is 250 meter from your hotel. You will finish as the classic race on Saturday in Cortina d'Ampezzo village.

We can't stress enough how fantastic the race course is and how excited you will be when you arrive at the finish. Of course the transportation back to Toblach is organized and it is included in the price (bus from the organization). Then you will have time to walk to the hotel for a much needed rest.
