

🇸🇪 The 100th Anniversary of Vasaloppet in 2022

The Biggest Nordic Ski Race in the World!

6th March 2022 - Guided Tour for either 4 or 7 Days

The 90 km Vasaloppet in classic style is the most popular and oldest race in the history of cross-country skiing and will celebrate its 100th anniversary in 2022! It is "the" race of the World Long Distance Championship, the Worldloppet. The race starts on the first Sunday in March (6 March 2022) at 8 a.m. in Sälen, as it has since 1922! Every year, around 16,500 participants compete in classic style over the distance between Sälen and Mora, through forests, hills and frozen lakes. Taking part in this exceptional race will leave you with unforgettable memories. Thanks to the many spectators along the route, you will soon forget the difficult moments and the finish in the centre of Mora will be a spectacular and magical experience!

There are several other races to choose from during the week, such as a 30 or 45 km race as well as a relay of 5 runners on the original 90 km course, all in classic style, or the famous "Vasanight" or Vasa by night over 30, 45 or 90 km in freestyle, with a start at 8 p.m. on Friday evening, either as an individual or in teams of two!

The various events are accompanied by the Sandoz Concept Team: there is no doubt that the experience of Daniel Sandoz, with several editions of the Vasa to his credit, including a top 10, as well as the precious advice of his team will be an asset for our participants.
